

## Transportation

From Incheon International Airport(Seoul) to Ulsan Airport via Gimpo Domestic Airport

1. Limousine Bus to Gimpo Airport(35min)
2. Gimpo Airport to Ulsan Airport(1hr, 12times a day)
3. Taxi from Ulsan Airport to Hotel(40min)

From Gimhae International Airport(Busan)

1. Limousine Bus to Gyeongju Express Bus Terminal(70min, 22 times a day)
2. Taxi from Gyeongju Express Bus Terminal to Hotel(20min)

## Hotel information

Please refer to the following web pages :

[www.atsc2006.org](http://www.atsc2006.org), [www.kyongjuhilton.co.kr](http://www.kyongjuhilton.co.kr)

## Registration Fee

Participant ; US\$ 200

Student ; US\$100

## Conference Chairman

Soon Young Hwang, Ph.D.

Email : [syhwang@rist.re.kr](mailto:syhwang@rist.re.kr)

Phone : +82-54-279-6346

Fax : +82-54-279-6659

Address : RIST, San32, Hyo-ja Dong, Pohang, Korea

## Organized by

ATSC 2006 organizing committee

Korea Thermal Spray Society

## Sponsored by

Korea Institute of Metals and Materials

CNMT, 21C frontier R&D program, MOST, Korea

National Research Lab. of Thermal Spray, Korea

National Research Lab. of Kinetic Spray, Korea

International Welding Supply Co. Ltd

Korea Eutectic Ltd.

## For Further Information

For further general information and technical matters, please visit the atsc2006 homepage([www.atsc2006.org](http://www.atsc2006.org)) or contact the secretariat.

**ATSC 2006**

# Invitation

**April, 2005**

We would like to invite you to ATSC(Asian Thermal Spray Conference) 2006 which will be held in Gyeongju Hilton, Gyeongju, Korea from Nov. 6 to Nov. 8 , 2006. This is a second ATSC after 1st ATSC which was held in Nagoya, Japan. As proven in 1st ATSC, this ATSC 2006 will be the best conference to exchange ideas and information of all aspects of thermal spraying in Asia. Concerning the location, Gyeongju had been a capital city of Shilla Dynasty and now is a famous resort city. The city is located at a 1 hour drive distance from north of Busan, or a 1 hour flight distance from Seoul. The nearest airport of Gyeongju is Ulsan airport. Also, an industrial tour of POSCO(Pohang Iron and Steel Company), the POSCO Museum, RIST (Research Institute of Industrial Science and Technology), POSTECH (Pohang Institute of Science and Technology), and PAL(Pohang Accelerator Laboratory) will be included. I would ask you to be prepared to attend and enjoy the conference. I look forward to seeing you in Gyeongju

**Soon Young Hwang**  
**RIST, KOREA**

**Chairman of ATSC 2006 organizing committee**

# Topics

The sessions will cover both fundamental research and the industrial applications of thermal spray process.

- Plenary Program
- Applications & Properties
- Equipment & Processes
- Modeling and Simulation
- Economic & Regulatory
- Kinetic spray
- Biomedical Coating
- Materials synthesis by thermal spray, etc
- Poster Session

# Industrial Tour

- Pohang Iron and Steel Company(POSCO)
- POSCO Museum
- RIST(Research Institute of Industrial Science and Technology)
- POSTECH(Pohang University of Science and Technology)
- Pohang Accelerator Laboratory(PAL)

# Abstract

- The abstract should not exceed 200 words.
- Tables and images are NOT allowed.
- The name of the speaker should be underlined and his/her complete mailing address should include phone number, fax, e-mail and his/her affiliation(s).
- Abstracts, in English, are to be submitted electrically via E-mail to the program secretariat.

# Important Dates

- |                       |                        |
|-----------------------|------------------------|
| • Abstract submission | July 1, 2006           |
| • Extended Abstract   | Sept. 1, 2006          |
| • Paper Review        | Sept. 1 – Oct. 1, 2006 |

# Proceedings

Papers will be accepted for presentation and poster. 2-page long, camera-ready manuscripts should be submitted preferably in PDF format for inclusion in the proceedings by *1 Sept. 2006*. Manuscripts for proceedings should also be sent to the program secretariat. After review, all the accepted papers will be published in the conference proceedings to be made available at the conference.

Authors wishing to publish their full-length papers (6-page long) are requested to bring their manuscript ready for submission to *Metals and Materials International* at the conference.

# Exhibition

Information about exhibition will be available on the homepage of the ATSC2006([www.atsc2006.org](http://www.atsc2006.org)) after 15<sup>th</sup> June, 2006.

Welcome to Gyeongju,  
a capital city of ancient Shilla dynasty.
